

CALL FOR APPLICATIONS FOR POSTGRADUATE TRAINING

Applications are invited from qualified candidates to pursue postgraduate training in the following Masters and PhD programs offered at the Department of Public Health, Pharmacology and Toxicology in the academic year 2014/2015 beginning September, 2014.

MASTERS PROGRAMS

Applications are invited for the following 2 year full time masters programs. All the programs are offered by course work, examination and thesis.

Master of Science in Leather Science

Admission requirements

1. Holders of at least an upper Second Class Honours degree of Bachelor of Science in Leather Science, Chemistry, Biology, Animal Science, Biochemistry, Biomedical Technology or Animal Production of the University of Nairobi or from other institutions recognized by the Senate.
2. Holders of at least a Lower Second Class Honours degree in any of the disciplines listed in (1) above, with at least two years work experience.
3. Holders of a Pass degree in any of the disciplines listed in (1) above, with a least five years work experience.
4. Holders of the Bachelor of Veterinary Medicine degree of the University of Nairobi.
5. Holders of any other appropriate degrees approved by the Senate.

Master of Science in Pharmacology and Toxicology

Admission Requirements

1. Holders of the degree of Bachelor of Veterinary Medicine or Bachelor of Medicine and Bachelor of Surgery of the University of Nairobi.
2. Holders of the degree of Bachelor of Pharmacy of the University of Nairobi.
3. Holders of the degree of Bachelor of Science in Biomedical Technology of the University of Nairobi with at least upper second class honours or a lower second class honours and 1 year working experience.
4. Holders of the degree of Bachelor of Science in Biochemistry of the University of Nairobi with at least an upper second class honours, or a lower second class honours and 1 year working experience. The applicant should have taken pharmacology & toxicology course at undergraduate level.
5. Holders of Bachelor of Nursing degree of the University of Nairobi.
6. Holders of equivalent Bachelor's degrees from other Universities recognized and approved by University of Nairobi Senate.

Master of Science in Natural Products and Bioprospecting

Admission Requirements

1. Holders of the following degrees of the University of Nairobi or other university recognized by University of Nairobi Senate: Bachelor of Veterinary Medicine, Bachelor Medicine and

- Bachelor of Surgery, Bachelor Pharmacy, Bachelor Science in Nursing and Bachelor of Dental Surgery
2. Holders of Bachelor of Science (Biomedical Technology, Zoology, Biology, Biochemistry, Chemistry, Animal Science and Agriculture) of the University of Nairobi or other university recognized by University of Nairobi Senate with at least upper second-class honors or lower second class honors with a minimum of two (2) years work experience in a relevant field.
 3. Holders of a pass degree or equivalent qualifications as listed above with either a relevant post-graduate diploma or five years work experience.
 4. Holders of Master of Science degrees in related disciplines.

Master of Science in Veterinary Epidemiology and Economics

Admission Requirements

1. Holders of the degree of Bachelor of Veterinary Medicine from the University of Nairobi.
2. Other candidates who have obtained degrees from other universities approved by Senate as being equivalent to Bachelor of Veterinary Medicine of the University of Nairobi.

Master of Veterinary Public Health

Admission requirements

1. Holders of the degree of Bachelor of Veterinary Medicine, or Bachelor of Medicine and Surgery from the University of Nairobi.
2. Holders of Bachelor of Biomedical Technology, Bachelor of Science in Wildlife Management, Bachelor of Science in Microbiology and Biotechnology, or Bachelor of Science in Zoology from the University of Nairobi
3. Holders of equivalent degrees from other universities recognized by Senate

Fee Structure

YEAR 1	
Registration Fee	2,000/=
ID Card	500/=
Tuition Fees: Year	150,000/=
Laboratory Fee	50,000/=
Computer Fee	5,000/=
Activity Fee	2,000/=
Medical Fee	5,000/=
Caution Money	5,000/=
Library	2,000/=
Total	Ksh. 221,000/=
YEAR 2	
Registration fees	2,000/=
ID card	500/=
Tuition fees	50,000/=

Supervision fees	50,000/=
Book Allowance	50,000
Total	Ksh.152,500/=
Research funding*	200,000
OTHER CHARGES	
Late Application fee	4,000/=
Extended Registration fee	3,000/=
Extended Correction period	1,000/= per three months
Extended Revision period	3,000/= p.a.
Extended Supervision	6,000/=
Exams for Revised thesis/Project Report	9,000/=

D* These are minimum recommended research funds

E* Non-Kenyan students within the East African Community are charged 20% more on the tuition fees while those out East Africa are charged 25% more on the tuition fees

The above fees does not include accommodation, personal maintenance costs, books and stationery, neither does the University guarantee provision of accommodation. Those from outside Kenya will require an additional US\$ 3,000.00 per year for their maintenance and up keep in Nairobi.

CALL FOR APPLICATIONS FOR UNDERGRADUATE TRAINING

Applications are invited from qualified candidates to pursue training in the following Diploma and BSc programs to be offered in the academic year 2014/2015 beginning September, 2014.

Bachelor of Science in Leather Science and Technology

Admission requirements

1. Kenya Certificate of Secondary Education (KCSE) with mean grade C+ or equivalent with at least a C in Chemistry, and either one of the following subjects; Biology, or Biological Science, or Physics, or Physical Science or Agriculture or Mathematics.
2. KCSE mean grade C – or equivalent plus a Certificate and Diploma in a relevant field from an institution recognized by the Senate.
3. ‘O’ level Division II or equivalent with the subjects indicated in 2.1 above; plus a Diploma in a relevant field from an institution recognized by the Senate.
4. ‘O’ level Division III or equivalent plus a Certificate and Diploma in a relevant field from institutions recognized by the Senate.
5. Diploma in Leather Technology or relevant field from the University of Nairobi or institutions recognized by the Senate and a mean grade of C in KCSE or equivalent.
6. ‘A’ level with two principal passes or equivalent in Chemistry, and Biology, or Physics or Mathematics, or Geography.
7. Higher National Diploma in Leather Technology, Laboratory Technology or relevant field from institutions recognized by the Senate and should have attained a mean grade C in KCSE or equivalent.
8. Bachelor of Science degree from an institution recognized by the Senate.
9. Equivalent qualifications to the above from institutions recognized by the Senate.

Fees 182,000/= per year

Diploma in Leather Technology

This program is a two year program that will lead to award of Diploma in leather technology

Admission Requirements

Applicants to this course shall be required to have the following minimum qualifications:

1. Holders of Kenya Certificate of Education (KCE) aggregate of C and a grade of at least C- in Chemistry, Biology and any other one Science subject.
2. Holders of Kenya Certificate of Secondary Education (KCE) division II with at least a credit in Chemistry, Biology and any other one science subject.
3. Holders of an “A” level Certificate with a minimum of one principal pass and at least a subsidiary pass in biology and chemistry.
4. Holders of a Certificate in Leather Technology from recognized institutions.
5. Holders of a Diploma in a Biomedical discipline recognized by senate.
6. Any other qualification recognized by the senate

Fees: 84,000/= per year

Diploma in Veterinary Public Health and Meat Technology

This program is a two year program that is offered in collaboration with the Meat Training Institute, Ministry of Livestock Development, Athi River.

Admission requirements

Applicants with any one of following minimum qualifications shall be admissible:

1. Kenya Certificate of Secondary Education (KCSE) mean grade C or equivalent with at least grade C- in Biology and any one of the following subjects; Chemistry, physics, mathematics, geography or Biological Science.
2. KCSE mean grade C- with at least grade C- in Biology, and any one of the following subjects; Chemistry, physics, mathematics, geography or Biological Science) plus a Certificate in a relevant biological discipline from an institution recognized by the Senate.
3. Kenya Certificate of Education (KCE) Division III or equivalent with at least a pass in Chemistry and Biology.
4. 'A' level with a minimum of two subsidiary passes or equivalent; one of which must be in Biology, and the other in Chemistry, Physics, Mathematics, or Geography.
5. A Certificate in Animal Health from an institution recognized by Senate.
6. Equivalent qualifications to the above from institutions recognized by the Senate.
