D* These are minimum recommended research funds

E* Non-Kenyan students within the East African Community are charged 20% more on the tuition fees while those out are charged 25% more on the tuition fees

The above fee does not include accommodation, personal maintenance costs, books and stationery, neither does the University guarantee provision of accommodation. Those from outside Kenya will require an additional US\$ 3,000.00 per year for their maintenance and up keep in Nairobi.

Forms can also be downloaded from the university website and fee paid on submission. (www.uonbi.ac.ke).

Applicants who are not in Nairobi may have the application forms sent to them upon receipt of a banker's/cashiers' cheque (payable to the University of Nairobi) of the above amount and 20% handling charges. Cheques should be registered and sent by registered mail.
